ABOUT US

STELLORAX brings together master craftsmanship & advanced technology to create wardrobes & doors that define contemporary luxury. Each modular creation is a seamless blend of style, precision & smart functionality crafted to enhance the way modern spaces live & breathe.

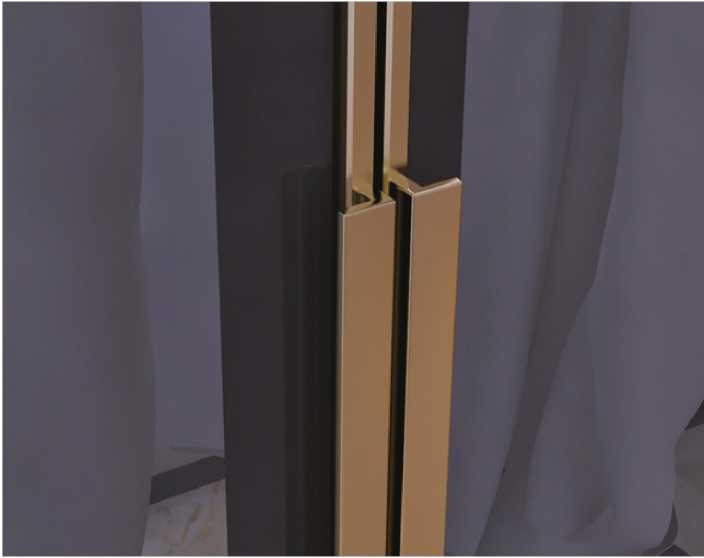

Guided by a forward thinking team of designers & architects.

Stellorax interprets global trends into refined interior solutions. The latest European inspired collection introduces bold architectural doors, designed wardrobes & ambient lit shelving each piece curated to elevate everyday environments with understated grandeur.

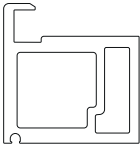

Every detail is engineered with purpose. From ergonomic layouts to premium finishes, Stellorax products are built to deliver comfort, durability & effortless sophistication across residential & commercial spaces.

With innovation at its core, Stellorax shapes future ready interiors where design intelligence, timeless aesthetics & superior performance come together to redefine modern living.
